Born July 24, 1897 – disappeared July 2, 1937) was an American aviation pioneer and author. Earhart was the first female aviator to fly solo across the Atlantic Ocean. She received the U.S. Distinguished Flyers Cross for this record. She set many other records, wrote best-selling books about her flying experiences and was instrumental in the formation of The Ninety-Nines an organization for female pilots. Earhart joined the faculty of the Purdue University aviation department in 1935 as a visiting faculty member to counsel women on careers and help inspire others with her love for aviation.
