

Target 8547-8632
George Harrison

Task: Describe the most important aspects of this person.

Born on February 25, 1943, in Liverpool, England, George Harrison formed a band with schoolmates to play clubs around Liverpool and in Hamburg, Germany. The Beatles became the biggest rock band in the world and Harrison's diverse musical interests took them in many directions. Post-Beatles, Harrison made acclaimed solo records and started a film production company. He died of cancer in 2001.
