

Target 8772-5970
Louvre Pyramid Paris, France

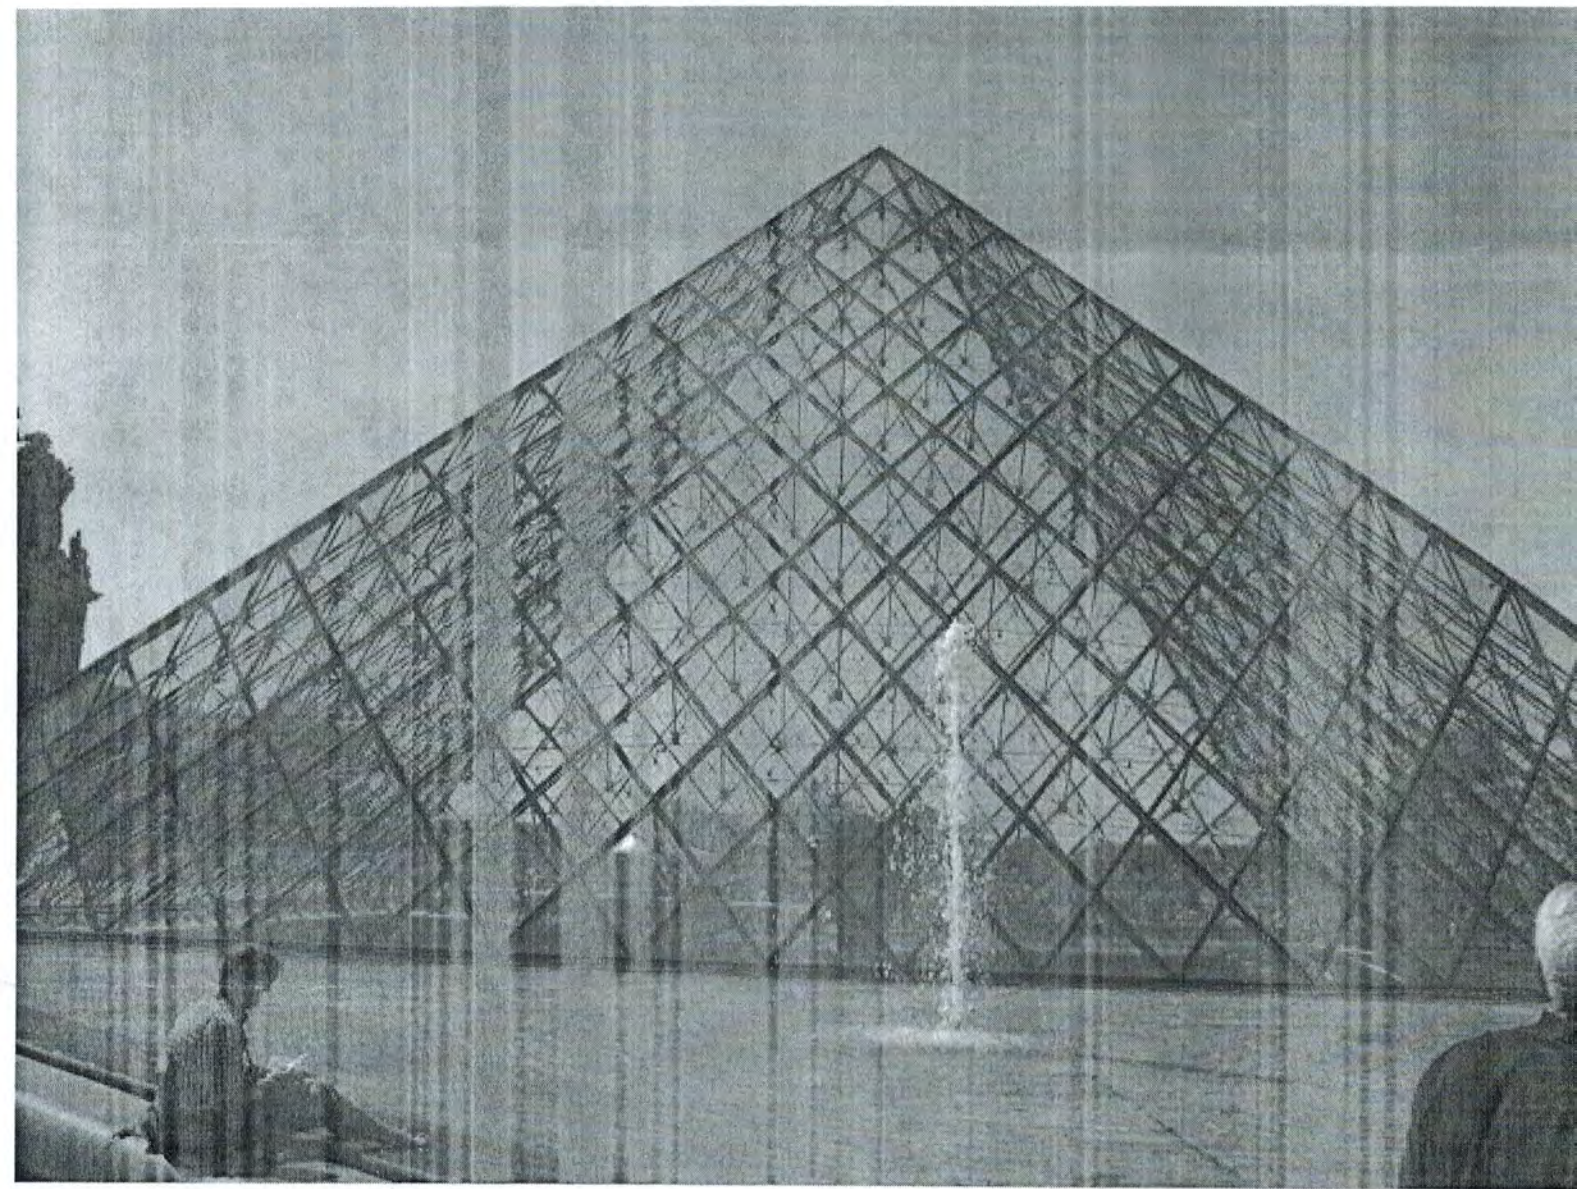

Task: Describe the target

The **Louvre Pyramid** is a large glass and metal pyramid, surrounded by three smaller pyramids, in the main courtyard of the Louvre Palace in Paris. The large pyramid serves as the main entrance to the Louvre Museum. Completed in 1989, it has become a landmark of the city of Paris.

Summary

10

The tower is remarkably it is heavy solid base. It feels like there is something in front of it. It's just sitting there like a monument. It draws people's attention like a magnet. Different types of people find it interesting. There are places for people who go to see it. It feels classic and old.
